

NOTICE FOR BIDX

4/10/13 Final

New Bid Express Website

The Department is in the final stages of testing and anticipates implementation soon. Pending positive outcome of that testing the implementation schedule is:

- April 16: Collect bids for the April letting on the existing "Classic" Bid Express site.
Post plans, estimating proposals and cross sections for the May letting on the "Current Letting Information" page of the Department's website, the customary location.
- April 16 – 19: As April letting results become available they will be posted to the existing Bid Express site. May letting information will not be posted to the existing Bid Express site.
- April 19 -21: The existing Bid Express site is taken out of service and data is transferred to the new site.
- April 22: The new Bid Express site is available and May letting information is posted.

An FAQ document has been developed and is available on the Department's website www.iowadot.gov, links are available from the "Contractors Corner" or the "Office of Contracts" web pages.
